The Trust is engaged in various activities, such as carrying out periodic staff visits with the families of sponsored children and thereby evaluating their progress in school and their life at home as a family. Students are encouraged to aim high to reach their goals and to build good family relationships, thus leading to the creation of a good holistic atmosphere and a steady growth of the same.

Assemblies to gather parents are planned according to their convenience where the organising aspect is carefully and systematically looked into by the staff in accordance with the respective zones. The primary objective is to create awareness regarding the value of education in prevalent times. Other means are also catered to such as creating a platform to enable the deserving to find means of livelihood along with other daily work to set aside savings for the future studies of the child.

Educational assistance is rendered to the sponsored children by providing school fees, tuition fees, smart class fees, special development fees, computer fees together with uniforms, bags, books, shoes and other stationery items which are needed for their education.

The health issues of sponsored children are also given importance. When necessary, medical aid is provided to children in need. Many referral services pertaining to healthcare provided by hospitals and private health care institutions are also extended.

To sensitise the importance of good health and hygiene among the children and their parents, periodical health camps are conducted with the support of reputed hospitals and colleges established in Bangalore. Children along with their family can avail the benefits of these health camps. Assistance is also provided in case of serious and life threatening cases.
